Absent:

Agenda

- Look at what we did in sprint 1, what we completed and what we need to complete for sprint 2

Notes

- Everyone but Yang has CS240 midterm tomorrow, let Yang work on main text editor for now

Decisions

- We want to work on GUI + local saving
 - ↳ text editor, creating a tabPane for notes
 - ↳ Local saving of window size and notes

Actions

- Tim wanted to tackle the local saving so we assigned that to him
- John wanted to work on the tabPane UI
- Yang wanted to look into text editors
- Hammad will continue working through improving the homepage UI
