## CS 346: Meeting Minutes

Date: March 15

Team: 214

Present: All members (Yang Si, Hammad Khan, Tim Chung, John Chung)

Absent:

---

### Agenda

- Main focus was discussing how we want to implement database → local JSON, SQLite etc.

### Notes

- Continue working on GUI functions and finish up backend setup

### Decisions

- We want to work on GUI + database/web server
  - ↳ sorting notes, searching notes, groups sort
  - ↳ transfer data to sql potentially

### Actions

- Split tasks 2 and 2, Tim and John wanted to work on backend data + webservice
- Yang and Hammad want to focus on the GUI and homepage
